## Career Development Resources Program

### Career Development Workshops

<b>Suit Up: Professional Image</b>	You only have one chance to make a first impression, so make it count. Learn how to present a professional image on any budget, including an overview of the unwritten rules of professional presentation.
<b>Move Up: Application to Interview</b>	Whether submitting an application, walking into your interview, or making the rounds at the next job fair, are you making a lasting positive impression? Learn how to effectively approach a prospective employer, impress them during the interview, & follow up effectively.
<b>Speak Up: Professional Communication</b>	You have the job, now what? Every job has a different culture, & it's important to learn the rules of your new workplace. Learn how to navigate your new workplace using effective interpersonal communication skills.

Career Wardrobe's Career Development Workshops are designed to complement our professional dressing program & can be booked for groups up to 15 to be combined with a dressing appointment before or after the workshop.

There is always a fee for Career Wardrobe staff to travel off-site for workshops.
