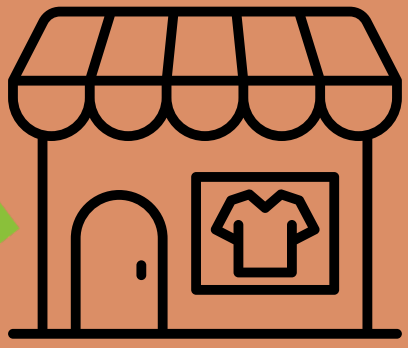
BECOME A COMMUNITY PARTNER *for 2026!*

THE WARDROBE™

HERE'S WHY.

Thousands of people struggle with not having anything to wear or not having the right thing to wear.

Clothing insecurity can affect anyone at anytime. If you're screening for food or housing insecurity, think clothing too!



WE CAN HELP!

At The Wardrobe, we believe clothing is more than fashion—it's a basic need tied to self-worth, opportunity, and belonging. We provide your participants with outfits for work or life in a variety of accessible ways.

MEET YOUR NEW CLOTHING ARM.

When you partner with The Wardrobe, you add a one-of-a-kind service for your participants to utilize. We are open to all and also offer additional support with education & coaching.
